

# BECOME A Sponsor!

We cordially invite you to participate as a sponsor in the 3rd annual **Harts of Teal 5k & 1M Color Run!**

In February 2020 we both, Kim Airhart (41 years) and Andrea Sisler (56 years), were diagnosed with stage 3C Ovarian Cancer. As healthy and active wives and mothers, ovarian cancer was the last thing on our minds. Life as we knew it changed forever. Chemotherapy, major surgery, and maintenance drugs became our new way of life. Many women experience the symptoms of ovarian cancer yet are often dismissed. We learned the importance of ovarian cancer awareness and education and became motivated to equip women to be their own advocate. Our story has allowed us to connect with many others on the same journey. We are so thankful for our supporters that help us to make our dreams of saving other women come true.

**We will be hosting our Third Annual Harts of Teal 5K & 1M Color Run on June 17, 2023 in Fayetteville, GA. Thanks to all of your support last year, we were able to raise over \$70,000. Our goal this year is to exceed \$100,000.**

**We are excited to be expanding to bring awareness to other GYN Cancers as well this year.**

We hope you will join us in crushing this goal. Attached you will find all the ways to help us make this event a HUGE success. Please reach out with any questions on sponsorship levels, education opportunities, or other ways to get involved.
